

# Catch them in the Act!

If your business was a victim of shoplifting or a burglary, what evidence would you have to support your police report?

Many businesses feel victimized and frustrated after they have experienced a theft because often police have little evidence to apprehend felons.

The average business loses \$500 per month to shoplifting and staff pilfering. This investment pays for itself immediately.

## Stop Shoplifting Now!!

- Security Surveillance Package
- 19" Monitor
- 4 Colour Dome Camera
- Digital Video Recorder with
- 1TB HDD

\*Over 36month term with Flexi rent.

**Total Package**  
\$35 p/w No Upfront

## Offenders Don't Want to Be Caught In the Act!

This security surveillance package allows you to have recorded evidence of shoplifting and staff pilfering. The combined high resolution monitor and Digital Video Recorder with 1TB harddrive is ideal for any type of business. The view, record and playback ability will assist police in the arrest and sentencing of offenders resulting in the return of your goods.
